

## Algebra 1 2019-20 With Mrs. Love

We do not have a textbook for Algebra. We have a collection of note sheets for each topic that includes instruction and practice for the skill each day. Each Unit of note sheets will be handed out to students at the beginning of the unit in a plastic pronged folder. Folders will be collected at the end of the year. We have homework pages for each skill as well.

### Grades

Students will receive grades on **daily homework** as follows.

Students earning 91-100% will receive a grade of 100%.

Students earning 81-90% will receive a grade of 90%.

Students earning 71-80% will receive a grade of 80%.

Students earning 61-70% will receive a grade of 70%.

Students earning below 77% will be asked to REDO their homework. Correctly redone work may earn an 80% grade.

**Quizzes** will be recorded in the gradebook, but NOT count towards the student's grade. Quizzes will be a formative assessment so that students can see how they are doing on the skills in each unit.

**Tests** will count 3 times as much as homework. Students will be allowed to correct problems missed on a test to earn back half the points that were missed.

### Tutoring

I am normally available on Thursday from 3:30p to 4:30p to help students who need some extra support. It is helpful for me to know by the end of the day on Wednesday if a student is planning to attend tutoring.

### Online "Help"

I strongly discourage the use of websites that show students how to do their algebra problems. Please monitor your child's computer/phone use of such websites.
